11. List of equipment being sold to Westinghouse, 1 page,
Encl. (1), 28 December 1958.

Item 1 above has been checked by Equipment Requirement Group 2. The items checked in red will be delivered to them. Please review this 33-page list and check in green the items, if any, that you would like to have. Return the white copy to us and retain the thermo-fax copy for your records.

Item 2 above has been checked also. Please review this group and check in green the items you could use. We have only one copy of this document so please return it to us. If you do not have a means of reproducing this document please advise and we will make a thermo-fax for your use.

Item 3 likewise has been checked and is enclosed in duplicate. Your comments are requested same as for Item 1 and 2.

It is requested that the tools marked "usable" on Items 4, 5, 6 and 9A be picked up as GFE under Contract No. TM-3013.

[redacted] may stop at your place Monday evening, 27 April 1959 and depart for Headquarters 28 April 1959. He will check this out and bring back your reply as we are anxious to close this out as soon as possible.

Very truly yours,
